DOCUMENTS TO RETURN TO THE TOWN HALL

Please return the following documents to the Town Hall:

- Septic system and well inventory
- Smoke and carbon monoxide alarm verification program

If you no longer have the required documents, please let us know so that we
can provide replacements and help you complete them.

WELCOME TO CURTIS KENNEDY-LALONDE

We are pleased to welcome Curtis Kennedy-Lalonde to the Public Works team.
The entire team is happy to have him join our community.

We wish him a warm welcome and every success in his new role. If you get the
chance to meet him, please say hello.

REMINDER TO RESIDENTS

We would like to remind everyone that flowers and shrubs planted within the
road right-of-way will now be cut during roadside mowing, to ensure
everyone's safety.

If you wish to keep your flowers or shrubs, we invite you to move them away
from the roadside and replant them on your property.

Thank you for your understanding and cooperation.

IMPORTANT REMINDER REGARDING ACCESS

We have noticed that, in several driveways, access for emergency service
vehicles is blocked by branches that extend into the driveway.

We remind residents that fire trucks and ambulances require much more
clearance than a regular vehicle in order to reach a residence quickly in the
event of an emergency.

For the safety of you and your family, we ask residents to trim any tree
branches that interfere with access to their driveway and your civic numbers
need to be visible at all times. Your cooperation is essential to ensure a fast
and effective response when needed.

IMPORTANT REMINDER TO RESIDENTS

Please note that it is mandatory to obtain a building permit before carrying out
any work on your property, whether it involves construction, an addition,
renovations, backfilling, ditch work, or any other project that requires
municipal authorization.

For any requests or information, please contact the Town Hall before
beginning the work.

COMPLAINTS AND COMMENTS

Any complaint, request or comment must be addressed directly to the Director
General, either by phone or by coming in person to the Town Hall. We also
remind everyone that municipal employees must be treated with respect,
courtesy and civility at all times.

STE-BARBE ECO-CENTRE

We remind you that all Elgin residents have unlimited access to the Ste-Barbe
eco-centre upon presentation of proof of address. For the detailed schedule
and the complete list of accepted and refused materials, please visit:
